

FOR PET SITTERS

Doggy daycare checklist

A pet is coming for daycare. Use this simple checklist to prepare, stay organized, and help the day go smoothly.

Meet & greet

- ☐ Discuss meet & greet location.
- ☐ Discuss the pet's routine, behaviour, feeding, and special needs as applicable.
- ☐ Ask about allergies, fears, triggers, and how the pet gets along with other animals and people.
- ☐ Request emergency contact and veterinarian information.
- ☐ Ask how often the pet parent would like updates and photos. This can be shared through the platform.
- ☐ Confirm what the pet parent will bring: food, treats, leash, or comfort items.
- ☐ Pet-proof your home, check for escape risks, and plan where the pet will rest and play.
- ☐ If you have other pets at home, make sure the pet parent knows and plan introductions.
- ☐ Confirm drop-off and pick-up times.

During the day

- ☐ Check that everything you need was dropped off and confirm any feeding instructions.
- ☐ Give the pet time to settle in calmly.
- ☐ Provide fresh water at all times and feed as directed.
- ☐ Supervise play and time with other pets at all times.
- ☐ Provide bathroom breaks, exercise, and rest time.
- ☐ Monitor behaviour and energy, and report anything unusual right away.
- ☐ Take clear photos and share updates with the pet parent through Hello Marshy.

At pick-up

- ☐ Return all belongings, food, and supplies.
- ☐ Share notes on how the day went: meals, bathroom breaks, play, and behaviour.
- ☐ Report any health, behavioural, or safety concerns to the pet parent.
- ☐ When appropriate, ask for a review to help build your profile.
